

THE SNOW CENTRE COVID – 19 Risk Assessment

First issued 4th August 2020

Updated: 22nd February 2022

Owners: Ian Brown, Managing Director, David Wilkinson, Technical Manager, Jack Stickings, Operations Manager, Jade Campion, Health & Safety Manager

We have updated our operating procedures adhering to the latest government guidelines. These will be reviewed on a weekly basis.

As well as government guidelines we have also referred to information and guidance provided by UK Hospitality trade association and Snow Sports England, our governing body.

Updated 22nd February 2022

Operating safely is a matter of trying to eliminate the risk of transmission of the virus and introducing mitigating measures – for the safety of team members, our guests, and others who visit The Snow Centre.

The Snow Centre ‘s procedures were updated to reflect the government guidelines for the re-opening dates of 12th April 2021 and 17th May 2021 accordingly. The Lodge Bar & Kitchen will be operational. Our opening hours have been amended to reflect the government guidance. This risk assessment is updated regularly following any government announcements.

A summary of our current COVID-19 risk assessment is shown below.

		<p><u>Rental Equipment</u></p> <p>Guests are encouraged to bring their own equipment. We will provide skis, boards, boots, helmets, and poles if required. These will be handed out by team members to guests on request. On returning, boots and helmets will be taken away to be cleaned and sanitised and left to dry. These will be put back into service some hours later if required or left to the next day.</p> <p>We will be offering clothing hire again from 1st October 2021 and they will be rented out per item, not as a set. This will mean less items will be used overall, therefore limiting the changeovers of items between guests.</p> <p>Guests may purchase gloves, and socks if required.</p> <p><u>2a. Social Distancing – Team</u></p> <p>Our team will access and exit our building from a different entrance / exit to our guests, reducing chance of contact. Our team have received Covid 19 training after lockdown, including how to wash hands, and social distancing.</p> <p>Team have been advised that face coverings are recommended but not compulsory. As per government guidelines they are no longer mandatory. However, we do recognise that team may still wish to wear face coverings, so masks and buffs are available for the team.</p> <p>The wearing of gloves is still compulsory cold side.</p> <p>Team members breaks will be staggered where possible to reduce numbers of team in the team rooms.</p>
